## Congressman Bob Filner honored by San Diego Post 6

By Ann Marie Brown

Congressman Bob Filner, 51<sup>st</sup> Congressional District of California, and member of the Veterans Sub-Committee on Veterans Health, was honored by presentation of a plaque citing his dedication to the veterans he has served. The office staff also presented a citation for their responsiveness to the needs of veterans among their constituents. This award was based on reports and gratitude expressed by recipients of aid, and reports from hospitalized veterans who received assistance through the congressional office.

Congressman Filner recently attended the National Commanders dinner in Escondido at Post 149, and addressed the attendees; his remarks were well received by National Commander
